We Can All Make a Difference

Because we share our world with billions of other creatures, our actions have a far-reaching impact. At Disney's Animal Kingdom® Theme Park, veterinarians, animal keepers, educators and Cast Members search for new and exciting ways to keep the planet healthy for all its inhabitants.

Some of the ways you can help conservation efforts include:

- Reuse and recycle when possible.
- Create habitats for wildlife in your backyard.
- Support conservation organizations through contributions and volunteerism.

Be a Conservation Hero
Join us in supporting wildlife efforts around the world by contributing wherever you see the Disney Worldwide Conservation Fund symbol.

Please do not feed the birds or other animals, and do not throw objects (including coins) into the water.
